Subject: [EXTERNAL] Byhalia Pipeline Comment

Hi Mike Lee,

I am opposed to the proposed Byhalia Pipeline for the Boxtown, Westwood and Whitehaven communities in Memphis. This is not about a chance for the Memphis community to have new temporary jobs. The Boxtown community has suffered enough from environmental pollution by neighboring infrastructures. This pipeline will just add to the list of reasons why these areas could be a hazardous place to have a home. These residents should have full autonomy of their community and property. I thought safety is a priority for the state government. Byhalia Connection, LLC cannot 100% guarantee this pipeline will not pose any threats. Please show some intentions of keeping these communities safe from any more environmental risks. Thank you.
